

Dear Resident/Business Owner:

**HASLEY CANYON ROAD/INTERSTATE 5 PROJECT  
NOTICE OF TRAFFIC CHANGE**

The purpose of this notification is to inform you of new traffic patterns that will be implemented in December 2007. These changes on The Old Road, from Sedona Way to Live Oak Road, will be in effect for approximately one year. The Old Road will continue to be reduced to one lane in each direction and will be shifted to the east. Left turns will be prohibited from the northbound The Old Road onto Sedona Way. Inbound traffic onto Sedona Way will be prohibited. Traffic outbound on Sedona Way will only be able to turn right (southbound) onto The Old Road. A detour route for residents of the North Bluff community will be in place and signs posted prior to traffic pattern changes. Everyone is encouraged to avoid the intersection of The Old Road and Hasley Canyon Road whenever possible and use alternate routes in the area.

A website has been created to provide project information and periodic construction updates. The website is [www.hasleyi5.com](http://www.hasleyi5.com).

Everyone involved with the construction of this important project thanks you for your continued cooperation. If you have any questions you may contact the County of Los Angeles Department of Public Works representative, Mr. Ali Dana, at (661) 257-7229 or [adana@dpw.lacounty.gov](mailto:adana@dpw.lacounty.gov).
