Explosives, ammunition, and radioactive materials
Trash and tires
White goods (refrigerators, stoves, washing machines)

HOW TO REDUCE HOUSEHOLD HAZARDOUS WASTE

Buy Smart

Purchase non-toxic or less hazardous products and only the amount you need. For alternative non-hazardous recipes visit: <http://dpw.lacounty.gov/epd/hhw/alternative.cfm>.

Store Properly

Toxic products are poisonous - don't put your family's health and safety at risk! Keep products out of reach of children and pets.

Use It Up

Finish all unused products and recycle the containers or donate what is leftover.

Protect Our Communities

NEVER throw HHW/E-Waste into your household garbage, toilets or sinks; never dump on the ground or pour down the storm drains- it is illegal - and HHW can seep into the groundwater, waterways and oceans, causing contamination of our drinking water, beach closures and health hazards to swimmers.

Dispose Properly

Dispose of HHW/E-Waste properly at a FREE Los Angeles County mobile event or a permanent center near you!

PAINT RECYCLING MADE CONVENIENT...

California residents and businesses can now recycle leftover paint for FREE at local retail stores.

For program details and locations, visit www.PaintCare.org or call 855-724-6809.

Upon 72 hours notice, the Department can provide program information and publications in alternate formats or make other accommodations for people with disabilities. In addition, program documents are available at our main office in Alhambra (900 S. Fremont Ave.), which is accessible to individuals with disabilities. To request accommodations ONLY, or for more ADA information, please contact our departmental ADA Coordinator at (626) 458-4081 or TDD (626) 282-7829, Monday through Thursday, from 7:00 am to 5:30 pm.
