

Lower Busch Tank Improvement Construction Notification

Los Angeles County Public Works (Public Works) will begin work to replace the water tank at 5731 Busch Drive. The work includes demolishing the existing 300,000-gallon tank and constructing a new 385,000-gallon tank. This project will upgrade infrastructure and enhance water system resiliency for customers of Los Angeles County Waterworks District No. 29.

Construction is anticipated to begin in early **October 2026** and will take approximately **14 months**. Construction work is expected to end by the **fourth quarter of 2027**.

What to Expect During Construction:

- **Work Hours:** Monday through Friday, 7:00 a.m. – 3:30 p.m.
- **Location:** 5731 Busch Dr, Malibu, CA 90265
- **Traffic Impacts:**
 - Temporary single-lane closures at the referenced location.
 - Flaggers will be utilized to safely guide traffic and minimize delays
 - Access to homes will be maintained at all times

Public Works is committed to minimizing disruptions, and we appreciate your patience and understanding, as we complete essential system improvements to support a stronger and safer community.
