

## Lower Encinal Pump Station Improvements Project Temporary Saturday Construction

Los Angeles County Public Works will continue construction activities to upgrade the pump station located at 32805 Camino De Buena Ventura in the City of Malibu.

The regular construction schedule is 7:00 a.m. to 3:30 p.m., Monday through Friday. Beginning October 10, 2026, construction work hours will be expanded to include limited Saturday work. Saturday activities, scheduled from 8:00 a.m. to 3:30 p.m., are needed to help accelerate this critical project and reduce potential weather-related delays. Saturday work will occur only as needed, and crews will work to minimize noise and other impacts.

Residents and motorists may experience temporary traffic impacts during construction. Appropriate traffic control measures will be implemented to maintain public safety.

### PROJECT MAP

For additional project information, click [here](#) for a project fact sheet or scan the QR code below. For questions about project construction, contact Public Works Construction Manager, Navid Ehsan, at (949) 228-4982 or [nehsan@dpw.lacounty.gov](mailto:nehsan@dpw.lacounty.gov).

For questions about water service, contact LA County Waterworks (877) 637-3661 from 8 a.m. to 5 p.m. Monday through Friday.

For emergencies after hours, please contact LA County Public Works 24-hour Dispatch Center at (800) 675-4357 (HELP).
