

LOS ANGELES COUNTY WATERWORKS DISTRICT NO. 29

CIVIC CENTER IMPROVEMENTS

Scope:

Construct over 6,000 feet of waterline and a new tank for a leak prone, severely deteriorated, and aging system. This project has funding from developer agreements by the Board in 2009.

Location:

City of Malibu — Along Sweetwater Mesa Road and Serra Road, Pacific Coast Highway, intersection of Palm Canyon Lane & Serra Road

Benefits:

Improve water quality, system reliability, and protect the health and safety of existing customers.

Status:

Design phase

Construction:

Start Date - October 2022
